COURSE Out and back from the Hood River end of the Historic Columbia River Highway, starting at the HCRH Visitors Contact Station. Not a flat course. Moderate up first part of run, and a decent down-up for 12K'er's at 3-4.5 mile section. All will enjoy the downhill to the finish. The 12K (7.4 miler) turnaround is at end of 2nd tunnel! The 3K/5K is a shorter out and back. A water station will be at the 5K turn. The trail is paved, no vehicular traffic, and some soft shoulder in sections. Participants need to run on the RIGHT on the trail, as it will be an out and back. If for some reason you want to walk/jog with your dog, we will allow it, but only with a SHORT 3' leash, and your pup having a "runner friendly" demeanor! Participants with any dogs, must start at the back of the pack. The trail will still be open to the general public, so pay attention to passing bikes, etc.

AWARDS/PRIZES Ribbons 1-3 to age division winners all runs. Random prize drawing included!
